

Join Our 2025 STEM Teacher Externship Program

Empower Educators, Inspire Students, Enhance Your Community Impact!

WHY PARTNER WITH US?

- **Develop Future Talent:** Provide real-world STEM experiences.
- **Enhance Your Brand:** Be recognized as a community leader in education.
- **Forge Valuable Partnerships:** Connect with educators and influence curriculum.

WHY OUR EXTERNSHIP PROGRAM MATTERS:

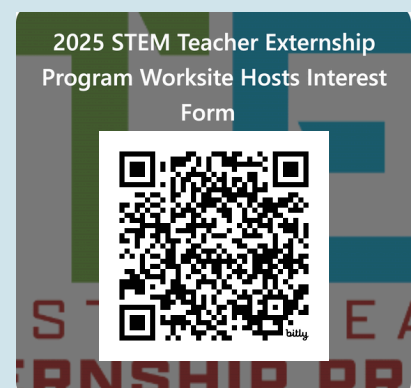

- **Deep Impact:** Provide educators with hands-on experiences in STEM-based industries, bridging the gap between theoretical knowledge and practical application.
- **Real-World Relevance:** Help educators answer the crucial question, "When am I ever going to need to know this?" by connecting classroom content with real-world career pathways.
- **Skill Development:** Through interactions with industry experts and engagement on the shop floor, educators gain insights into critical workplace skills, emerging trends, and the technologies shaping modern industries.

PROGRAM DETAILS:

- Duration: 3 Days In June or July
- Location: At your business premises

HOW TO JOIN?

- **Sign Up by February 28th:** Secure your spot in this transformative program!
