

## ***Host a Teacher...Inspire a Generation!***

### **ALABAMA'S 2026 STEM TEACHER EXTERNSHIP PROGRAM (STEP)**

Help us prepare students for the jobs your industry needs by giving teachers hands-on experiences in real STEM workplaces. When educators understand your skills, technologies, and career pathways, they bring relevance back to the classroom—strengthening Alabama's future workforce.

**Host a Teacher Externship and help shape Alabama's workforce. We recruit the teachers—you provide the experience. Three days of hosting can shape Alabama's future workforce.**

Sign up Today! Be a leader in strengthening the connections between education and workforce opportunities in your region!

## **LOGISTICS**

Coordinated by the Alabama STEM Council

1-3 days Summer Externship in June or July 2026

Located at your company, anywhere across Alabama

Bridge classroom learning with workforce realities while showcasing your leadership in workforce and community development
